The title of my poem is “**Rain Is Falling Down**”

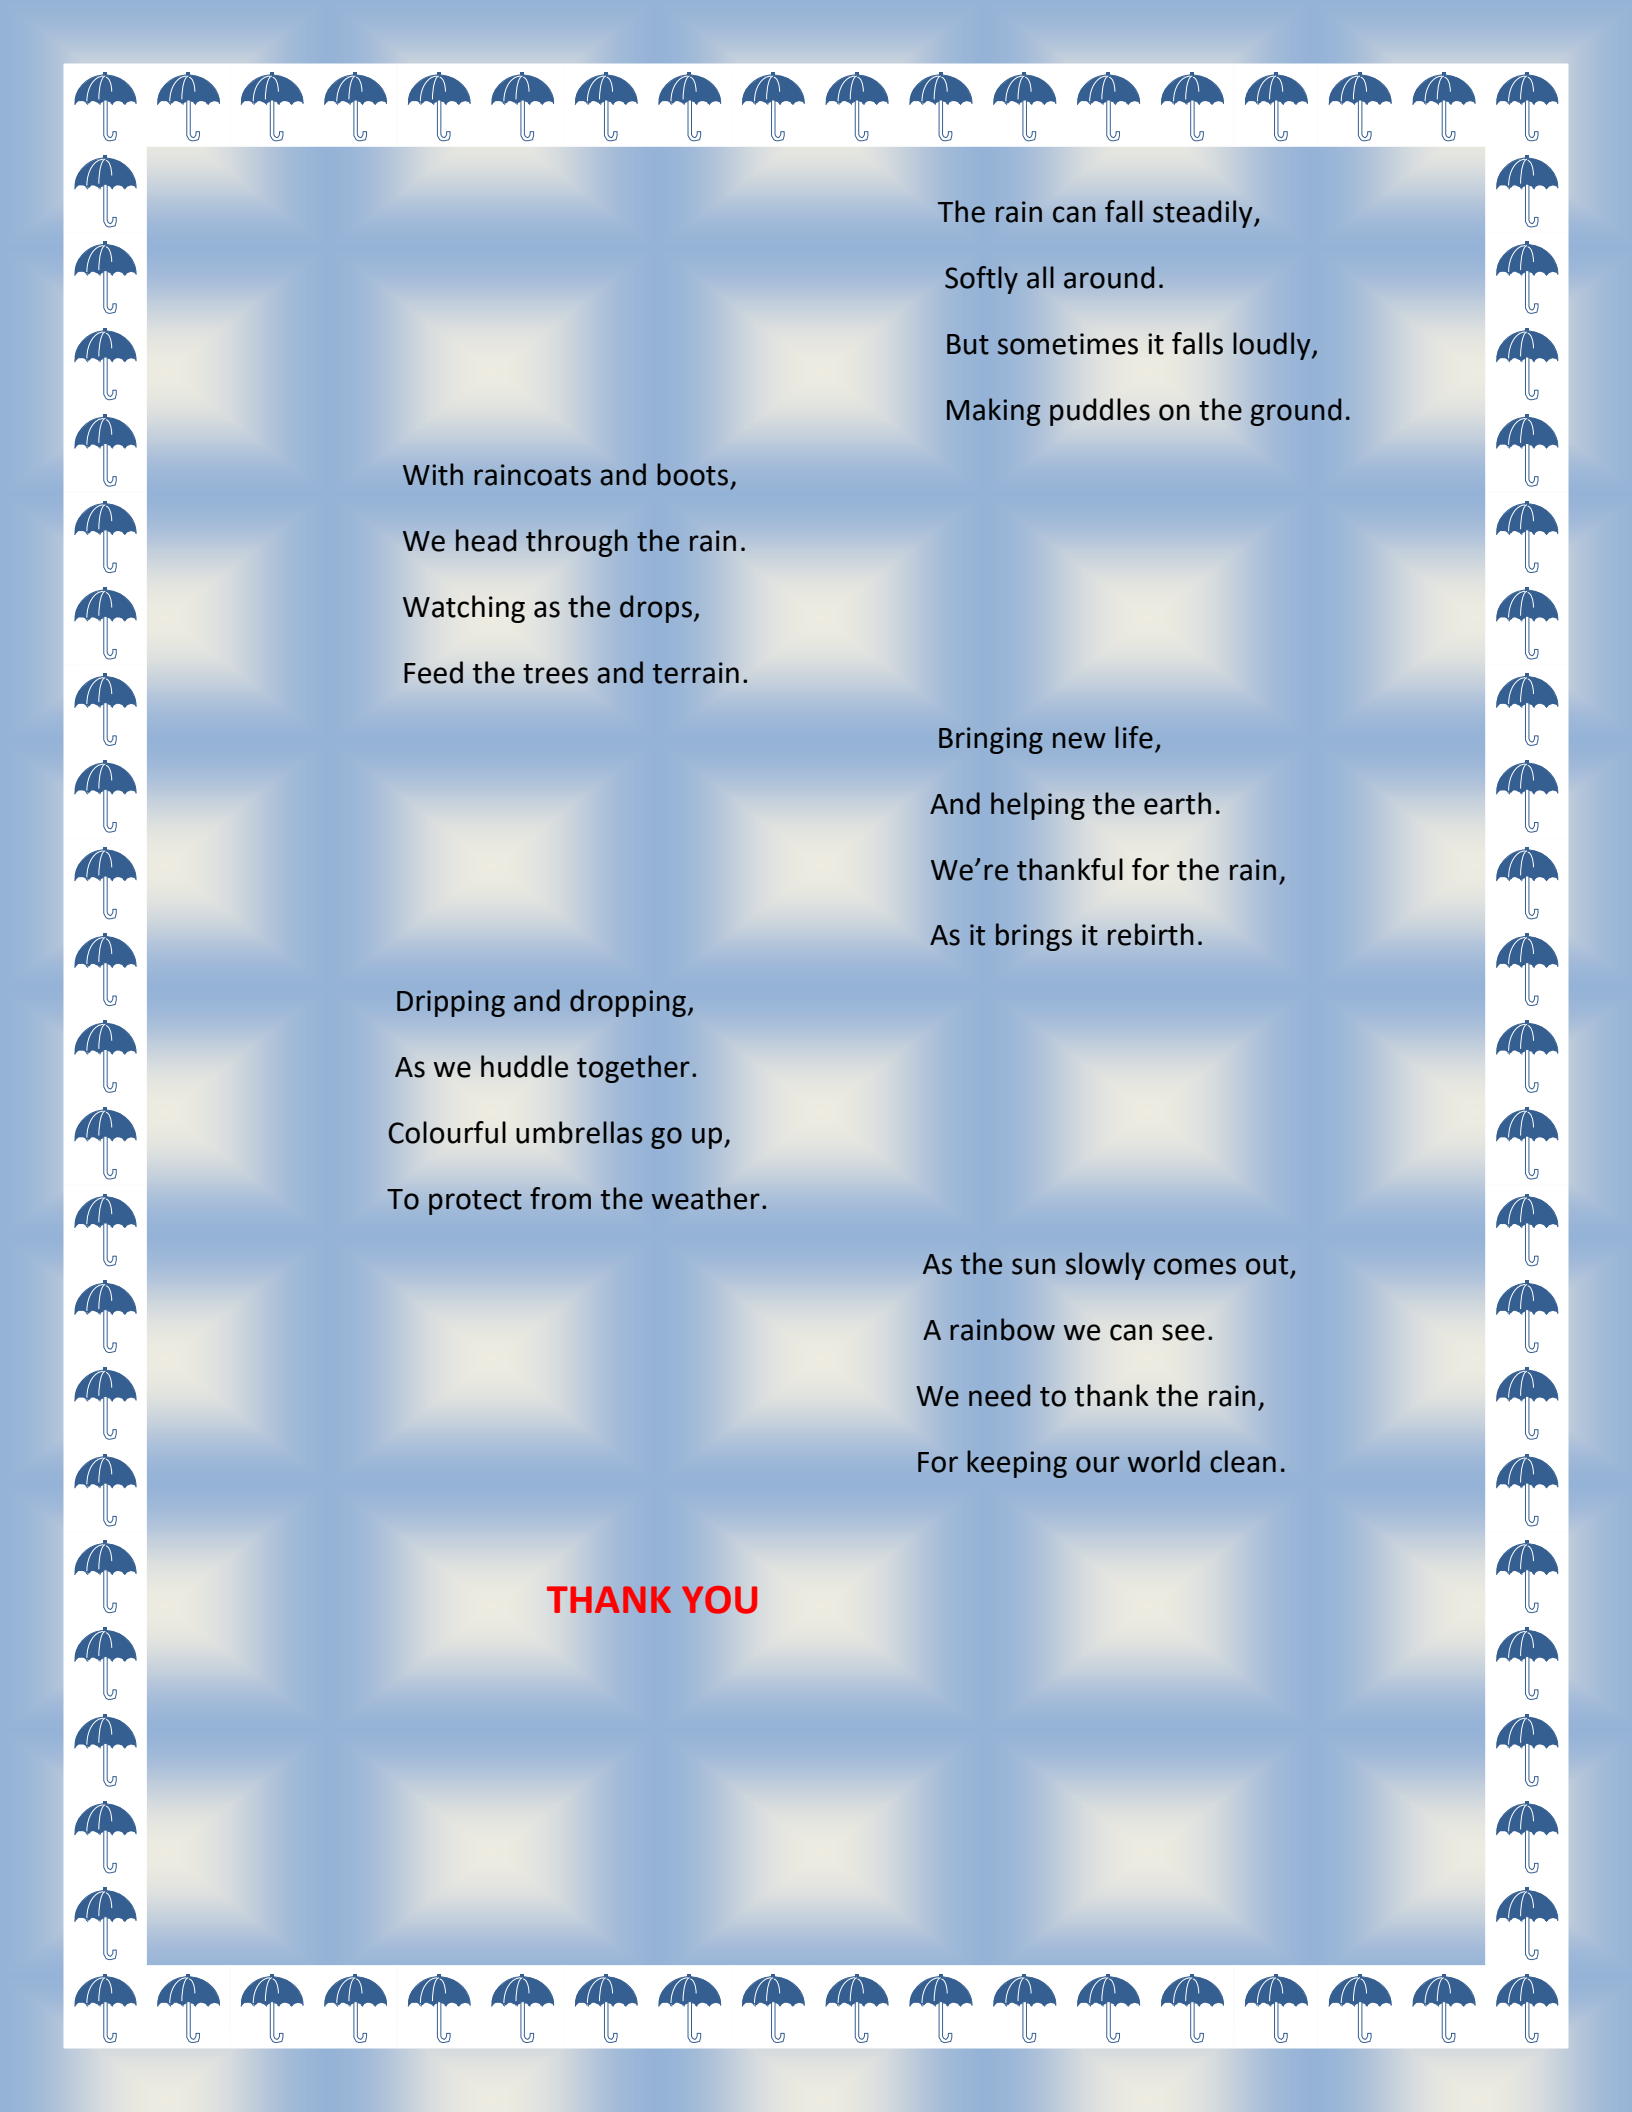

Rain is falling down

The clouds are grey,

The sky is dark.

We must stay in,

Can't go to park.

The rain can fall steadily,
Softly all around.
But sometimes it falls loudly,
Making puddles on the ground.

With raincoats and boots,
We head through the rain.
Watching as the drops,
Feed the trees and terrain.

Bringing new life,
And helping the earth.
We're thankful for the rain,
As it brings it rebirth.

Dripping and dropping,
As we huddle together.
Colourful umbrellas go up,
To protect from the weather.

As the sun slowly comes out,
A rainbow we can see.
We need to thank the rain,
For keeping our world clean.

THANK YOU
